Whole Foods Rocky Mountain Region To Carry Deep Rose

After a successful launch with The Fresh Market we are moving westward.

Gilroy, California: Deep Water USA Inc. is moving with its introductory flavor, Deep Rose, westward. After a successful launch at the Fresh Market last summer, we are entering the world of Whole Foods, starting at the Rocky Mountain Region.

Plant/Flower based beverages are one of the new trends and Deep Water USA Inc. wants to be a big player. Our first flavor, Deep Rose, a premium Rose Lemonade, has been such a success within its first year of introduction that we are planning to add 2 more flavors next year. We will be at the upcoming Fancy Food Show in San Francisco, Booth #6665. Please visit us to try our new Drinks of Love.

DEEP WATER USA INC. We are an exclusive beverage company targeting the discerning consumer looking for something distinctive. We are introducing flower/plant based beverages from the ancient world to the modern. All our flowers are handpicked and sourced from all over the world.

Our first drink, Deep Rose will be followed by more Deep Drinks.

Flowers are all about
Love and Love is Universal. Share "Deep Rose" with your loved ones and spread our
"Love Stories".
